

NATURAL CITRUS DEGREASER

Aerosol and Bulk

WWW.ANTISEIZE.COM

Product Description

Natural Citrus Degreaser is a remarkable degreasing product which contains concentrated d-Limonene made from Orange peel extracts. This powerful degreasing solvent has the amazing ability to quickly dissolve grease deposits, oil, animal fats, waxes, and inks from most surfaces.

Natural Citrus Degreaser combines d-Limonene with a carefully tested blend of biodegradable emulsifiers and surfactants to further enhance its cleaning qualities.

Natural Citrus Degreaser is an environmentally preferable product obtained from renewable resources and is a safe alternative to petroleum solvents and harsh alkaline cleaners. D-Limonene is a safe alternative to harsh degreasing solvents.

Features & Benefits

- All Natural, obtained from renewable resources
- Biodegradable and Green
- Pleasant Citrus odor
- No ozone depleting propellants
- Slow Evaporation rate
- D-Limonene is an approved replacement solvent in many applications
- Cuts through heavy grease films fast

Applications include

Degreasing automotive or truck parts, removes adhesives, paint remover, odor control in dumpsters, removes scuff marks, Kitchens, Parts washers and many others.

Directions for Use

For parts washing and equipment cleaning, use undiluted. To clean concrete and Masonry surfaces dilute 3-5oz in one gallon of water. To deodorize, dilute 6 oz into a gallon of water. Kitchen areas dilute 1-3 oz per gallon of water. For heavy degreasing do not dilute

Typical Properties

Property	Value
VOC content	88%
Flash Point	122 F Closed Cup
Odor	Orange like
Specific Gravity	0.85
Weight Per Gallon	7.0
Viscosity	Thin Liquid
Toxicity	Non-toxic
RoHS	Compliant

Cautions

Read all information on labels and Safety Data Sheets prior to use. All products should be tested and evaluated for a particular purpose prior to use. Avoid use on certain plastics such as ABS, PVC Urethanes, Styrofoam. Polyethylene, Polypropylene, Latex, Neoprene and Buna-n.

All clean up rags should be spread out in a well ventilated area or placed into a flammable container with closable lid. Failure to do so could result in spontaneous combustion for soaked rags.

GHS compliant

This product requires GHS pictograms on labels.
Refer to Label and SDS for GHS information.

Product Limited Warranty

This information is based on information we believe to be reliable and accurate, but no guarantee of its accuracy is made for a particular application. We urge and recommend that Users pretest their application prior to incorporating the product into use and assume that the User will conduct such testing. Also see warranty statement on website.
